

Is your organisation planning a capital project for the benefit of young people?

Is your organisation based in Birmingham, Coventry or Warwickshire?

If yes, you should know that The Norton Foundation and The Depot Charity are providing...

TWO £100,000 GIFTS

The Norton Foundation

The Foundation is seeking interest from local organisations in Birmingham, Coventry, Solihull and Warwickshire, who are planning capital projects to help support young people aged up to 25. The successful organisation will be given a £100,000 contribution for their prospective project.

The Depot (South Works) Charity

The Foundation is offering a further £100,000 gift on behalf of The Depot (South Warwickshire) Charity for a project facilitating recreational and leisure time occupation activities for young people in the Stratford-on-Avon district with the aim of improving their standard of living and aiding personal development.

Application Details

Submissions should be provided on one typed side of A4 paper and include:

- An overview of the organisation
- Outline of the prospective project and its benefits
- An estimation of the total cost
- Details of how the name of either, The Norton Foundation or The Depot Charity will be commemorated

Deadline: 14th February 2010. To be addressed to The Correspondent, The Norton Foundation, PO Box 10282, Redditch, Worcestershire, B97 9ZA. For further details, see our website www.nortonfoundation.org.
