

### **Community Connector**

This new role will support our clients to access activities, services, information and support in a world where information is most commonly available online,

Contact may be varied with simple one off sign posting to longer term one-to-one support being aware of boundaries and over dependency.

This is a fantastic opportunity to build a service supporting our volunteers and service users, making a real difference to people's lives.

You will also be supporting our community activities, mainly led by volunteers including our community cafes, carers cafe and other activities.

You may have worked in a health or social care setting, been a social prescriber or link worker. What we really need is someone who is well organised, IT literate but most importantly someone with a good ear and a friendly, warm manner.

You will be based in our office in Stratford upon Avon but will need to travel across South Warwickshire so will require a full driving license and access to a vehicle.

The role will also require an Enhanced DBS check.

Hours are flexible and would be ideal for parents as this can fit around school times.

Thanks to a five-year National Lottery award, this is a permanent post.
